

DID YOU KNOW?

There are canine resources available for your use

There are Canine resources available to you for land/water cadaver searches, live area searches, tracking, trailing and disaster searches. All you have to do to dispatch one of these experienced and nationally certified teams is call (24/7/365).

THE EMERGENCY CONTACT NUMBER FOR K-9 RESOURCES

1-877-636-7287

An Ohio Department of Natural Resource (ODNR) dispatcher will answer your call and you must be prepared to provide the following information:

1. Provide a brief description of the incident
2. The county where the incident has occurred
3. The location and a description of area to be searched
4. The point of contact information for the on-scene coordinator (name & telephone number)

The ODNR dispatcher will then contact a representative from the K-9 Technical Advisory Committee (TAC). The K-9 TAC representative will then contact the on-scene coordinator to make the necessary arrangements for providing the proper canine response team.

For all other inquires call:

330-466-8142 or 440-823-1934
