

ORC TAC MINUTES

Date: January 13, 2014

TAC: K-9

From: Sandra Lesko, Chair

Attendees: Sandra Lesko, Deana Hudgins, Ken Folsom, Lou Ann Metz, Robert Czechlewski, Jim Dwertman.

Summary:

1. Arienne Fauber emailed stating that she has put in the work order for a new K-9 report and will forward it to us as soon as it is completed.
2. Jim Dwertman updated the group on OSARA and that Director Borne would like to assist local agencies and counties needs by being able to call one number for resources. This must be done by April 15th 2014.
3. Sandy Lesko discussed the Fire Response Plan and developed a flow chart that is simple and to the point for the Emergency Response System Quick Guide.
4. State Patrol will be dispatching for ODNR. ODNR will no longer be dispatching, there will be a new dispatch number coming out shortly.
5. Discussed water training with region 5 water TAC August 7, 8, 9th at a location to be determined. Folks in the database qualified in water search will be invited. Sandy and Deana will be doing a presentation for each shift then field work.
6. Sandy will contact Doug Johnson in regards to setting up water training with ODNR
7. Deana, will organize a joint effort with OSARA "Go Green" Task Force. Have one weekend to update all NIMS requirements needed for data base, excluding K-9 Certification.

Next meeting is March 31st at 1000 hrs.

**Action Items: Sandy will give an update on the Fire Response Plan.
Sandy will update on training with ODNR.
Deana or Janelle will give update on OSARA**
