

Talking Points FY 2018 Nonprofit Security Grant Program

- Only follow the guidance as it pertains to NSGP-S
- Ohio has no UASIs-so NSGP-UA is to be ignored
- Please also disregard the grants.gov and ND grants information in the NOFO- that is for Ohio as the SAA
- Ensure you have a DUNS number.
- If you have questions about either of those requirements please consult the NOFO for the appropriate links
- Links to the NOFO and IJ template can be found at the following website:
http://ema.ohio.gov/PreparednessGrants_NSQP.aspx
- Deadline for applications: postmarked June 8, 2018
- Award cap is \$100,000
- Eligible applicants are 501(c)(3) organizations-please see p 4 of the NOFO with questions about eligibility-**PLEASE NOTE**: we are not able to determine whether your agency is 501(c)(3) or not-we will be looking for the 501(c)(3) number in the application (if applicable)-please direct eligibility questions to the IRS or other appropriate federal agency
- Vulnerability/Risk Assessment requirement remains-FEMA clarified that this can be done internally if you have security folks on staff
- Procurement is going to be very tight on this grant-full and open competition means bids, quotes, etc. will have to be collected for every item procured
- Also, when building budgets-be aware that contractors utilized to help with budgets MAY NOT be used if you receive the award
- Allowable Costs- pp 38-41 of the NOFO
- Please be aware that construction and renovation, while allowable, contain extra requirements such as an EHP-review that section of the NOFO carefully to ensure you are willing to meet all the requirements
- Unallowable Costs- p 41 of the NOFO
- No travel costs are permitted here
- Appendix D on p 42 of the NOFO is what the application/IJ should consist of
- Appendix E is insight into how we will score
- Please submit an original and 2 copies of your application
- Application should be submitted to the following mailing address:
