 - Update – A review conducted by the Ethics Commission Legal Council has been conducted and Ohio EMA is awaiting possible rewording of the current Instructor Policy regarding pay of instructors.
 - We are currently waiting for written confirmation of this decision. Once it is received updated OEMA guidance will be sent out to all concerned parties.

 - State Classes Only – we are close to being able to conduct the classes. A meeting is scheduled for Feb 10th with the Controlling Board and one vendor. Once the controlling Board approves the procurements we will again solicit requests to host the training. The goal is to spread the training around the state.
 - **Website Changes**
 - The training and exercise website was recently reformatted to condense
-

information and lessen the number of links.

- Training Council Agendas and highlights are located under the "Ohio EMA Training" sub-menu.
- Standard Forms are located under "Training Documents" sub-menu.
- The goal of these changes is to make tools more available and easier to find.
