

ORS TAC MINUTES

Department of Public Safety
1970 W. Broad St.
Columbus, OH 43223

Date: 06/17/10
TAC: Water TAC – Conf. Call
From: Jim Dwertman

File Number:
Approved:
Paul Moledor

ORS

Attendees: Paul Moledor, Pete Grendze, Dale Dittrick, Mark Bender, Bob Kollar, Tom Warner & Jim Dwertman

I. Grant Paul Moledor

All of the grant funds have been expended

Classes: To date three classes have been presented and 62 students have completed the training. The anticipated fourth class did not materialize.

Equipment discussion: \$1964.80 was used for repair to the motors

II. TCL- Bob Kollar

The TCL document has been available for review by stakeholders with no specific feedback from them. A working draft will be ready in a couple weeks.

Team Type Verification- Pete Grendze

- Jim will coordinate with Mel and Paul to determine the status of the letter to County Directors and the verification packages.

III. K-9 TAC Tom Jacksetic and Mark Bender – No Report

IV. Animal TAC- Eric Reed – No Report

V. Water Protocol – Kevin Granger - No Report

VI. Near Drowning- Mark Bender –

Meeting with John Carney next week to discuss the protocol. Will have out for distribution a sample protocol.

VII. Curriculum Committee - Eric Reed

All documents were review by OEMA and corrections were made based on those corrections. A new copy was submitted to OEMA and will be forwarded to the Federal Government for Approval. Thanks to Phil Johnson for all his work at OEMA to get his submittal completed

VIII. Old Business

Regions 2-4-8 have submitted their equipment list needs. Paul again reminded everybody that he needs their equipment requirements as soon as possible because often grant funding suddenly becomes available those entities with identified needs and able to move quickly to purchase the equipment are successful in acquiring grant funds.

IX. New Business - NONE

Roll Call of Regions:

Region 1 – No Report

Region 2 – No Report

Region 3 – No Report

Region 4 – No Report

Region 5

The region has been conducting routine training and was involved in a recovery mission involving a fisherman.

Region 6 – No Report

Region 7 – No Report

Region 8 –

The region is conducting a rope Ops class this weekend and is actively looking for another trailer in which to store their rope equipment separate from the rest of the equipment.

ODNR- No Report

SFM –

The SFM reported that they expect the motors to be repaired and ready to be picked up the week of June 21st, also, that the equipment trailer may be needed in region 8 sometime around the beginning of September.

Next Meeting: July 15th conference call 614-387-3141 10:00 a.m.
