

ORS TAC MINUTES

Department of Public Safety
1970 W. Broad St.
Columbus, OH 43223

Date: 09/27/2012 **File Number:**
TAC: Water TAC – Conf. Call **Approved:**
From: Rick Warren **Paul Moledor**

ORS

Attendees: Region Reps: 2, 3, 4, 5, 6, 7, OFA and OEMA.

I. Funding- Paul Moledor

All regions are spending money to meet the **September 30, 2012 deadline**. There will be no extensions for this grant.

Questions regarding the Notice of Award for State grants should be directed to Tammy Little (tlittle@dps.state.oh.us or 614/799-3659) and for Federal awards contact Andrew Elder (adelder@dps.state.oh.us or 614/889-7178).

Remaining unencumbered funds were authorized by the TAC to utilize BGSU for prerequisite courses. BGSU will travel to the location requesting courses based on the Region's instructions. Trailing funds from other grants, such as USAR, can be used for this purpose.

II. TCL-

No actions taken to date. Paul will contact Tammy on this issue

III. Team Type Verification- Paul Moledor

No report. Paul will call Jim

IV. K-9 TAC - Mark Bender

No report.

V. Animal TAC- Eric Reed

TAC has not meet in a while and unsure of the status.

VI. Water Protocol –

Nothing new to report- At next meeting, we will vote to approve the document as is and finalize the document. Paul will send out

VII. Curriculum Committee – Mark Bender

Phil Johnson at the Ohio EMA has forwarded the operations class to FEMA for final approval. No word of status yet.

Eric forwarded the PowerPoint presentations for the Technician Level course for updates.

VIII. Old Business

Water TAC would like to have their information (i.e. minutes, TCL, CIMS, protocols, etc.) attached to OEMA Web Site or some type of link developed.

The comprehensive list of instructors was reviewed via email and there were no additions or changes as noted. We need to complete this process.

IX. New Business:

Reminder- With any boating accidents in the State of Ohio, ODNR must be notified- this is ORC requirement.

Gary Mellor, EMA Director for Holmes county is working with OEMA on a safety/response plan for Ohio bridges over the Ohio River. He has requested and received some information from the water TAC.

Also discussed was the response system regarding what to call each regional response team. It has been discussed before and what we came up with was the following. We need to finalize this nomenclature:

Ohio R-# Water Response Team- i.e. "Ohio R-4 WRT"
