

ORS TAC MINUTES

Department of Public Safety
1970 W. Broad St.
Columbus, OH 43223

Date: 01/17/2013 **File Number:**
TAC: Water TAC – Conf. Call **Approved:**
From: Lorie Haukedahl **Paul Moledor**

ORS

Attendees: Region Reps: 3, 7, 8, SFM, BSSA and OEMA.

I. Funding- Paul Moledor

There was a brief discussion on grant spending. Paul asked that all regions have projects ready should additional funding become available. These projects should focus on sustainment costs. Also, he would like to keep at least one Type 1 team in each region.

Rescue tech series is being offered at BGSU. Kerry Gonzales is the point of contact for this training and can be reached at 419-372-0503. We would like to spend this training money and hope to fill at least one spot per region.

II. TCL-

No report

III. Team Type Verification- Paul Moledor

Paul recommend site visits start being conducted and to start with Type 1 teams. This would be potential be conducted by designated regional teams for site review and would include 1- Regional, 1 – ODNR, 1 – Water TAC and 1 – OEMA. Please be prepared to discuss.

IV. K-9 TAC –

No report.

V. Animal TAC- Eric Reed

No report.

VI. Water Protocol – Paul Moledor

Protocols forwarded for review and vote.

VII. Curriculum Committee – Paul Moledor

Phil Johnson, OEMA Training, advised that the Ops class was rejected by FEMA. Paul will be sending concerns to Phil for follow up on the issues and request approval.

FEMA has changed their stance on courses. They now indicate that they do not want to be the approver on and we there will be need for “Federal Blessing” for classes to be acceptable.

The instructor guide does not include the instructor/student ratio. This may not be needed for practical exercises. The committee discussed a need for a comprehensive skills check-off sheet for each student. Time should be added at the conclusion of the course to review skills checklist and disclaimer. Both the student and instructor would be required to sign-off on competency/proficiency. Curriculum committee to review and update. If format is okay, can make changes to the Tech class and present for review.

VIII. Old Business

Paul will have a meeting on OFA equipment and trailer issues.

IX. New Business:

No report.

Roll Call of Regions:

Region 1 –
No report.
