Department of Public Safety  
1970 W. Broad St.  
Columbus, OH 43223

**Date:** 2.6.12  
**TAC:** K-9  
**From:** Pam Gibson

**File Number:**  
**Approved:**

1. **Attendees:** David J. Davis, Ken Folsom, Sandra Lesko, Janelle Hideg, Julia Potter, Deana Hudgins, Karen O'Reilly, Pat Brown, Pam Gibson, Athena Haus and Jim Dwertman.
2. **Summary:**
  - Deana advised that the OPATA database will be updated with conflicting information being resolved by our next meeting.
  - Ken stated he and Deana know what they what to add to the justification. They are now awaiting a grant opening in order to submit.
  - The K-9 application will be changing to add if the application is in regards to an **initial** certification or **renewal**. If it's a renewal or re-certification all of the training pre-requisite certificates will not need to be re-submitted.
  - Janelle provided a status of the upcoming SAR Conference. There are currently 62 registrations, which are 20 more than last year's conference, with more expected to register. The presentations will be provided to registered attendees on a DVD. There is only one vendor signed up and they would like to have more. The cost is only \$25 per table.
  - Deana updated the group on the Child Abduction Response Team (CART) of Ohio going to the State level vs. locally. This will increase the ability to track available resources statewide once the State level database is created. This program includes endangered kids and missing elderly.
  - Attached you will find the updated K-9 Resource Request Flyer. This will be handed out at the Spring Directors' Conference to County Directors. The others on the committee will be providing it to their counterparts.
  - Athena provided an update on the NIMS credentialing group. As far as she knew there have been no changes to the K-9 typing standards.
3. Reviewed and approved the following applications:

Virginia H. Woolf	K-9 Jetta	approved for land, water & disaster cadaver
