

ORS TAC MINUTES

Date: August 26, 2013

TAC: K-9

From: Sandra Lesko

Attendees: Sandra Lesko, Jim Dwertman, Deana Hudgins.

Summary:

1. Deana was in contact with Water TAC in regards to Fall or spring joint training. Class room with practical exercise.
2. Doug Johnson with ODNR would like to set up water training next spring before it gets warm.
3. Jim suggested doing a presentation for the Police and Fire Chiefs Conference
4. Deana will work on making a separate application for renewal certifications. This will make the process less confusing and easier when renewing your application or applying for the first time.
5. Also, we will be deleting some certifications that no longer apply and will be adding levels of training to some certifications (part of NIMS typing) to both applications.

Next meeting is October 7th at 1000

Action Items:

1. Drafts to initial application and renewal application to review.
2. Add NIMS typing to TAC ID cards based on certifications.
