## Emergency Operations Center

### SITUATION REPORT

Nancy J. Dragani, Executive Director  
Emergency Management Agency

2855 W. Dublin Granville Rd.  
Columbus, Ohio 43235

#### MEMORANDUM

**TO:** Governor John R. Kasich  
**FROM:** Ohio Emergency Operations Center  
**SUBJECT:** Coordinated Response to Ebola Virus  
**DATE:** October 25, 2014

---

This is the Situation Report for October 25, 2014. This information is current as of 3:00 p.m.

#### INCIDENT SYNOPSIS

October 10-13, 2014: A Dallas-area healthcare worker who tested positive for Ebola visited Summit County. When the Ohio Department of Health (ODH) learned about the healthcare worker in Ohio, they immediately reached out to local health districts and hospitals to coordinate response. Ohio EMA activated the State EOC Assessment Room and the Joint Information Center to support ODH's response to this incident.

#### EMERGENCY DECLARATIONS

There are no state or local emergency declarations for this incident.

#### EBOLA VIRUS DISEASE MONITORING

**Currently there are no cases of Ebola in Ohio**, but there are 163 individuals who are being monitored. None of these individuals being monitored are symptomatic.

<b>OHIO DAILY EBOLA CONTACT REPORT</b>	
CONFIRMED EBOLA CASES	0
QUARANTINED OHIOANS	3
TOTAL OHIO CONTACTS	163

### Contacts by County and Type

	Quarantine	Active Monitoring	Verified Self (Phone)-Monitoring	Self-Monitoring	Pending	Total
	Tier 1	Tier 2A	Tier 2B	Tier 3		
	Enforced restrictions on movement/travel; temperature taken twice daily; public health contact; no commercial travel	Temperature taken twice daily--once in-person by a public health official; no commercial travel; other travel restrictions possible	Temperature taken twice daily--reported to public health official; international travel restrictions	Temperature taken twice daily; not reported, but will call if change

Cuyahoga County	1	3	35	17	0	56
Medina County	0	1	4	5	0	10
Portage County	0	0	4	5	0	9
Summit County	2	8	15	16	0	41
All Other Counties*	0	5	35	7	0	47
<b>Total</b>	<b>3</b>	<b>17</b>	<b>93</b>	<b>50</b>	<b>0</b>	<b>163</b>

*\*15 counties have seven or fewer contacts and those figures are not being broken out by county in order to protect the privacy of individual contacts. (Belmont, Erie, Franklin, Geauga, Hamilton, Hardin, Lake, Lorain, Mahoning, Putnam, Seneca, Stark, Trumbull, Tuscarawas, and Wayne)*

### GENERAL DISEASE SURVEILLANCE

Ohio continues to observe 0 (zero) cases of Ebola. Ohio is observing elevated levels of Emergency Department (ED) visits for fever symptoms across Ohio jurisdictions; however, no new anomalies were detected yesterday. There were no unusual increases in hemorrhaging symptoms. Ohio has observed no additional ED visits for Ohioans concerned about Ebola and seeking testing since 10 AM on 22OCT2014. As of Thursday, there was an increase in over-the-counter pharmacy sales (compared to the previous 17-day averages) in Ohio for anti-fever adult (15%), anti-fever pediatric (11%), chest rubs (17%), and cold relief adult liquid (11%).

## **STATE RESPONSE AND RESOURCES**

### **ESF 7 – Resource Support and Logistics**

ESF 7 continues to work in support of ODH in several areas including:

- Approved PPE list;
- Continue to research and update listing of vendors and availability of several items on the approved PPE list. NOTE: Copy of PPE Supply (attached) and Copy of PPE Inventory (attached) include elements of PPE's available from ODH and additional vendor community sources. These lists are in the process of being confirmed and reconciled and should not be considered official ODH-approved PPEs and/or quantities.
- Completed initial research for EMS on pricing of automated systems to perform the Vaporized Hydrogen Peroxide cleansing of ambulance interiors. To-date, quote from Steris has not been received.
- Standing by for confirmation/approval to close two missions.
- Research of vendors and availability of PPEs is on-going-however, partial list of identified sources is available on PPE Supply attachment and at the ESF7 desk. Additional resources are noted on the ESF7 102414 file (attached) and Mission 14938.

### **ESF-8 – Public Health and Medical Services**

The Ohio Department of Health (ODH) is lead agency in response to the Ebola incident.

- ODH continues to coordinate with other response ESFs and agencies within the SEOC.
- ESF-8 is making final edits on a document which lists potential vendors that have Personal Protective Equipment (PPE) in stock.
- The list/vendor information will be shared with local partners who are in the process of purchasing PPE.
- ODH released guidance for local health departments on tracking recent arrivals from countries affected by Ebola.
- The ODH Call Center received four (4) calls today, October 25, 2014 for the timeframe 0700- 1400 hours.

**ESF 15 – Emergency Public Information and External Affairs**

- A Press Release was issued regarding the ODH Daily Ebola Contact Report.
- The JIC continues to monitor social media and calls have been forwarded to the on-call ODH PIO.
- The JIC telephone contact number for media inquiries is (614) 799-6480.

**HOURS OF OPERATION**

The State EOC is currently operating at a partial activation, 24 hours per day, 7 days per week, until further notice.
