ESF 1 – TRANSPORTATION

Ohio Department of Transportation (ODOT)

There are still 14 state routes closed or restricted due to flooding and debris. ODOT is cleaning ditches in Athens County, cleaning streets in Washington and Meigs Counties, and repairing a slip in Monroe County. ODOT expects to continue road repairs through the weekend. ODOT will deliver 100 road closed signs, 50 high water signs, and 30 warning signs to Belmont County tomorrow morning.

There are no significant impacts on state route bridges

ESF 2 – Communications

Ohio Emergency Management Agency (Ohio EMA)

Ohio EMA has provided a total of 91 MARCS hand held radios to the ONG to support their missions. Ohio EMA is providing technical assistance to the donations hotline and donations warehouse.

ESF 3 – ENGINEERING AND PUBLIC WORKS

Ohio Department of Natural Resources (ODNR)

ODNR’s Division of Mineral Resources Management has received reports of 51 slips, landslides or sinkholes in Belmont County. They are being investigated and prioritized based on immediate threat to life or property.

Ohio National Guard (ONG)

ONG has a total of 144 ONG personnel and 129 pieces of equipment working on transportation and engineering missions in Belmont, Washington, Monroe and Meigs counties.

Ohio Department of Transportation (ODOT)

ODOT is removing debris in Jefferson, Noble, Washington and Belmont Counties. ODOT expects to complete the debris removal mission in Jefferson County by Saturday afternoon and expects to continue the debris removal mission for Belmont County for the next two weeks. ODOT will begin removing debris in the Guernsey County tomorrow.

Ohio Environmental Protection Agency (OEPA)

Division of Solid and Infectious Waste Management (DSIWM), SE District Office staff continues their field presence over the weekend in affected counties with emphasis on Washington, Belmont and Jefferson Counties.

Division of Surface Water continues to compile a comprehensive list of infrastructure damage at waste water treatment plants that was damaged to ensure that all necessary locations are visited for assessment. OEPA has identified over 28 facilities which had some level of damage caused by recent flooding, ranging from minor pump and line damage in their collection systems, to fairly substantial damage at some plants.

Division of Drinking and Ground Water reports the number of boil alerts remains in flux. There are new pipe breaks occurring as things begin to dry out. Some areas are still so saturated there are new slips causing new line breaks and some pipe alignments are not matching up, which is causing repaired pipes to fail as they are re-pressurized. York Township in Belmont County remains on a boil alert due to the break at Captina creek and Matamoras in Washington County remains on boil alert. Wellsville in Columbiana County is reporting that an 8 inch drinking water line which had been fixed, broke again. They hope to have it repaired this afternoon. The 30-40 residences impacted will be under a boil advisory once it is repaired.

Ohio Department of Commerce (ODC)

ODC's Industrial Compliance Division is providing technical assistance to local building inspectors with home and business inspections.

Ohio Department of Rehabilitation and Corrections (ODRC)

ODRC reports that there are 40 inmates and 8 staff in Marietta and a crew in Hockingport, Athens County, working on debris removal. All crews are scheduled to work through the weekend.

ESF 6 – MASS CARE

American Red Cross (ARC)

In Washington County, the ARC has sheltered 27 special needs clients in hotels/motels. This will continue for an undetermined amount of time. Washington County has one open shelter housing three people.

ARC is evaluating available assistance for 25 homes in Belmont County (Quincy) with major damage and poor sanitation. In Belmont County the ARC has a Service Center at the Eagles club in Bridgeport and is planning on feeding 400 meals in the Neffs and Quincy areas this evening.

Ohio Department of Mental Health (ODMH)

ODMH is in Belle Valley in Noble County, Trimble and Glouster in Athens County and Derwent in Guernsey County assessing the needs of citizens. These areas have been impacted by flash flooding several times in the past 10 years and residents may face mental health issues due to the recent floods. Department of Mental Health will follow up with VOAD and mental health workers in the field to identify individuals who need services.

Ohio Department of Aging (ODA)

ODA reports that the Area Agency on Aging (AAA) continues the process of locating people, living with relatives in Monroe County, who were reported to need housing, especially in the Cameron area. The board president is exploring housing options for AAA clients. AAA staff is going door to door and have contacted all their congregate and meal delivery sites.

Ohio Department of Education (ODE)

ODE collected data from area school districts and reports that 222 school buildings were impacted by flooding, with an estimated total of 90,277 students affected by school closures, delays and early dismissals. The impacted buildings are in Athens, Belmont, Carroll, Columbiana, Gallia, Guernsey, Harrison, Hocking, Jefferson, Mahoning, Meigs, Monroe, Morgan, Muskingum, Noble, Perry, Stark, Trumbull, Tuscarawas, Vinton and Washington Counties.

ESF 7 – RESOURCE SUPPORT

Department of Administrative Services (DAS)

DAS continues to canvass the mobile home industry to locate vendors willing to rent trailers/mobile homes.

Lens Crafter's "Gift of Sight" program is providing flood victims in Belmont County with eye glasses. DAS will contact Lens Crafter's corporate office to see if this service will be provided to other counties in the flood area.

The Donations Management Group activated the hotline and a warehouse. DAS reports that the Donations hotline at 1-888-FloodOH will operate daily from 8:00 a.m. to 8:00 p.m. including Saturday and Sunday. The Telephone Pioneers are manning the lines.

ESF 8 – HEALTH AND MEDICAL

Ohio Department of Health (ODH)

ODH has conducted flood assessment for manufactured home parks (MHP) in Carroll, Columbiana, Perry, and Guernsey Counties. All the affected MHPs were sent follow-up letters regarding the assessment, and the procedures to follow for compliance with flood plain requirements.

ODH received a request from the Monroe County Health Department for technical assistance regarding "unsafe living conditions." The ODH program area and legal office consulted with Monroe County regarding their role/authority in determining if private dwellings are habitable at this time. The Monroe County Health Department has conducted on site inspections, and will make recommendations.

Tetanus Vaccine Requests – ODH received a request from the Washington County Health Department for an additional 500 doses of tetanus vaccine and a request from Meigs County

Health Department for an additional 100 doses of tetanus vaccine. Both requests were delivered today. ODH reports that they are working with local health departments on how to best administer the vaccine throughout the affected area and that before receiving a vaccination, people need to visit their physician for evaluation.

Private Well Testing – ODH provided technical assistance to Noble, Washington, Guernsey, and Meigs counties. ODH private well water staff has consulted with the local health departments in the affected counties. The local health departments have 120 days to complete the (sampling costs) fee waiver application process. Follow-up with the counties will be provided through the department's residential water and sewage program.

ESF 10 – HAZAROUS MATERIALS

Ohio Environmental Protection Agency (OEPA)

OEPA reports that the USEPA has done an assessment of spills and containers in Belmont County area and will be leaving the county today. The USEPA indicates no need for a wide scale cleanup or collection activity. Any future reports of spills or drums, etc. will be handled by the OEPA district office as they are reported to the 1-800-282-9378 spill hot line.

OEPA's On Scene Coordinator (OSC) completed his survey of Washington County. Two crude oil tanks turned over, but were empty and showed no evidence of a release. The OSC is completing a survey of Noble County and has found no issues. The OSC will then travel to Guernsey County airport in response to a report of an unidentified drum.

ESF 12 – ENERGY

Public Utilities Commission of Ohio (PUCO)

PUCO has no reportable electric, natural gas or telephone service outages.

ESF 13 – LAW ENFORCEMENT

Ohio State Highway Patrol (OSHP)

OSHP handled ground transportation for Senator Dewine's visit to the Washington County area this morning. Transportation of vaccine to Washington County was completed in coordination with ODH.

Ohio National Guard (ONG)

ONG military police personnel are working on 12-hour shifts to support local law enforcement agencies with security issues. There are 30 MPs and 5 support staff in Monroe County. There are 30 personnel and 10 pieces of equipment projected to depart Belmont County on Saturday, September 25.

RECOVERY

Ohio Emergency Management Agency (Ohio EMA)

FEMA and Ohio EMA have completed Preliminary Damage Assessments (PDA) for Public Assistance (PA) in Carroll, Harrison, Mahoning, Tuscarawas, and Perry counties. PDAs for Jefferson, Guernsey, Belmont, Noble, and Athens counties are scheduled to begin on Monday, with completion by Wednesday of next week.

There will be a state agency briefing concerning the Public Assistance program on Monday at 9:00 a.m. at Ohio EMA's offices. Assistance on pre-applications for cost recovery by state agencies will be provided at that time. State agencies must track and document overtime, labor,

equipment and material for reimbursement under a federal declaration. This includes overtime incurred at the EOC.

Estimates for Public Assistance (9/24/04) FEMA DR-1556

County Jurisdiction	Totals
Carroll	\$275,000
Harrison	\$1,130,200
Mahoning	\$253,000
Perry	\$533,500
Tuscarawas	\$222,700
Totals:	\$2,414,400

Disaster Recovery Centers (DRC) in Belmont County and Columbiana County opened yesterday and as of close of business yesterday, there were a total of 110 clients served. A third DRC is scheduled to open in Marietta in Washington County at 3:00 p.m. today. Ohio EMA will continue to work with FEMA and the other affected counties to identify DRC sites that will open in a series of staggered dates with DRC staff traveling along the circuit. Ohio EMA will provide dates and times of their openings, when they become available. At DRCs, people can obtain information on available assistance and return paperwork.

As of close of business yesterday, 2788 people registered for Individual Assistance (IA) through the 800-621-FEMA hot line. For IA only, this disaster's (#1556) start date has been adjusted back to August 27, 2004. The key message is that to be considered for the IA program, individuals and businesses must call and register at 1-800-621-FEMA.

Mitigation

Ohio Emergency Management Agency (Ohio EMA)

Ohio EMA and ODNR's Division of Water report that they are coordinating with the affected counties and providing information on the National Flood Insurance Program. The focus at this point will be continuing our development of strong local capability to enforce the NFIP requirements as part of the recovery and repair for the communities impacted.

PUBLIC AFFAIRS

Public Affairs is providing daily updates on agency activities as well as issuing press releases. Press releases have been issued covering the Disaster Recovery Centers (DRC) and the Donations Management Program. The public affairs staff is working on a media release concerning price gouging.

Senator DeWine visited affected areas on September 24th.
