2. Region 4 - trained 21.
3. Region 2 - will train 30 starting next week.

Cathy Janosko needs the cost from the first three classes to determine funding for #4.
Course requested for May 2010.

To date: Inventory damage and repair, if possible.

- One motor needs replacement prop – clamps – S# 1B367613 (2006).
- Two motors at SFA – however, not authorized for use -- Scott Walker and Chief Moledor need to resolve this.

•

II. TCL – No major problems. Cross reference to other entities needed.

III. Team Type Verification

- Created a classification of “Power Boat Operations Level.”
 - Made up to identify people who can drive a boat safely using the “Boater Obstacle Course,” but not training up to Swift Water Rescue.

IV. K-9 TAC

- People on their teams need to be trained in water to the “Awareness Level.”
- Working regionally and with Bowling Green state to achieve this

.

V. Animal TAC

No report.

VI. Near Drowning

- Concerns were to make sure the latest medical advances are being used; e.g., Hypothermic Care.
- Mark Bender working on issue

VII. Curriculum Committee

- Ops and Tech curriculum has been submitted to OEMA- Phil Johnson for review and comment

VIII. Old Business

No report.

IX. New Business

Discussion centered around how to solve the problem with sand/gravel getting in students' shoes during classes.

- Solutions seemed to be take un-used neoprene suit and fashion a, "gator" from the bottom of the leg.
